

“WASHINGTON’S PREMIER WHOLESALE REMODELER”

LEGACY PROPERTIES NW

Superior Craftsmanship, On Time, On Budget

Legacy Properties NW specializes in taking foreclosure and distressed properties from acquisition to completion, remodeled and profitable in very short time frames, often within days.

With over 300+ remodeling & rehab projects in the past 5 years, our remodeling teams know how to maximize your investment dollar and appraisal value. Plus, because of our years of experience and personal involvement in Real Estate, we know what materials, fixtures and colors have the highest appeal for the prospective buyer. Our goal? Provide the investor maximum impact for the least amount of money.

Complete Interior & Exterior Remodeling Experts

- Maximum Impact For Your Investment Dollar
- Done Right The First Time- Cheaper & Faster Than DIY
- Experienced Tradesmen & Crews On Computerized Schedules
- Large Enough To Handle Your Volume, Small Enough To Care
- Knowledgeable Material Selection Consultation
- Fast Turnarounds- Often Within Days

Testimonials

“Legacy Properties NW has been a valuable addition to our success as real estate investors. They are a professional team that always gets the job done right, fast, and at a price that makes sense.”

Will Heaton
Invest Now

“It has been a pleasure to work with Rock Harrison and his team! They are diligent to stay with a project, finish quickly, do a great job and leave a clean work site. The finished product looked better than original construction. We can recommend them without reservations for any remodeling.”

Marlene & Don Ostrom
Bellevue, WA

“Rock Harrison is a Guru with any and all aspects of Real Estate. He was recommended by a realtor, I have hired his company six different times and every time I am impressed with his work. His team is amazing.”

Mansoor Peerzaada
Mill Creek, WA

“Rock Harrison has remodeled six investment properties for me. He has done everything from a major remodel to a modest update. He understands the investor mindset of flipping homes and the tight timeframes required to get the projects done on time.”

Randy Breiwick
Normandy Park, WA
